Diamonds & Four Patch (Cloisonne' Diamonds) by Debby Kratovil  
Block/Diamond size: 7" x 12"

To help plan your quilt, consider the following:

- Each 6-1/2" strip (for the single fabric diamonds) yields 5 diamonds (Fabric A)
- Each 4-Patch strip set (made from two 3-1/2" strips) yields 4-5 diamonds (Fabrics B and C)
- Side and corner background fabric is cut from 6-1/2" strips. Each strip will yield 8 whole triangles.

Fabrics for small quilt (31" x 44"). Quilt center is 21" x 36"

- Two strips 6-1/2" x wof for 9 large diamonds (Fabric A)
- One 3-1/2" x wof strip EACH of two fabrics (for the 4-Patch diamonds) – Fabrics B & C). This will make four 4-Patch diamonds.
- Two 6-1/2" x wof strips of background fabric for setting triangles
- 1/4 yard inner border; half yard outer border.

Fabrics for large quilt (71" x 77"). Quilt center is 49" x 60"

- Seven strips 6-1/2" x wof for 35 single fabric diamonds (Fabric A)
- Six strips 3-1/2" x wof EACH of Fabrics B & C for (24) 4-Patch diamonds
- 1/2 yard background print for the side setting triangles. These will be cut from 6-1/2" strips.
- 3/4 yard first border; 1/2 yard second border; 2 yards outer border and binding

Fabrics for the lap size quilt (47" x 60"). Quilt center is 35" x 48"

- Four strips 6-1/2" x wof for 20 single fabric diamonds (Fabric A)
- Three strips 3-1/2" x wof EACH of Fabrics B & C for (12) 4-Patch diamonds
- 1/2 yard background print for the side setting triangles. These will be cut from 6-1/2" strips.
- 1/3 yard inner border; 2 yards outer (for unpieced outer border; less if you are ok with piecing)
- 1/3 yard binding

Please bring all extra fabrics with you in case of a "bad cut."

Please note a variety of other sizes based on the number of LARGE diamonds. These diamonds are 5" higher than they are wide. This is just for the quilt center.

- 3 x 3 diamonds = 21" x 36"
- 4 x 3 diamonds = 28" x 36"
- 5 x 4 diamonds = 35" x 48"
- 6 x 4 diamonds = 42" x 48"
- 7 x 5 diamonds = 49" x 60"
- 7 x 6 diamonds = 49" x 72"
- 8 x 5 diamonds = 56" x 60"
- 8 x 6 diamonds = 56" x 72"

Our OSQE classroom will have our basic cutting tools. The kit fee will include my 8.5" 60 degree, multi-sized triangle ruler for setting triangles (templates will be included in the pattern). Check your sewing room for a Creative Grids, Fons & Porter, etc 60 degree triangle ruler, and if you bring it, I will adjust your kit fee in the classroom.
