

Flying Swallows Quilt© by Debby Kratovil
Workshop Supply List

Block Size: 24" x 24" Quilt Size: 38" x 38"

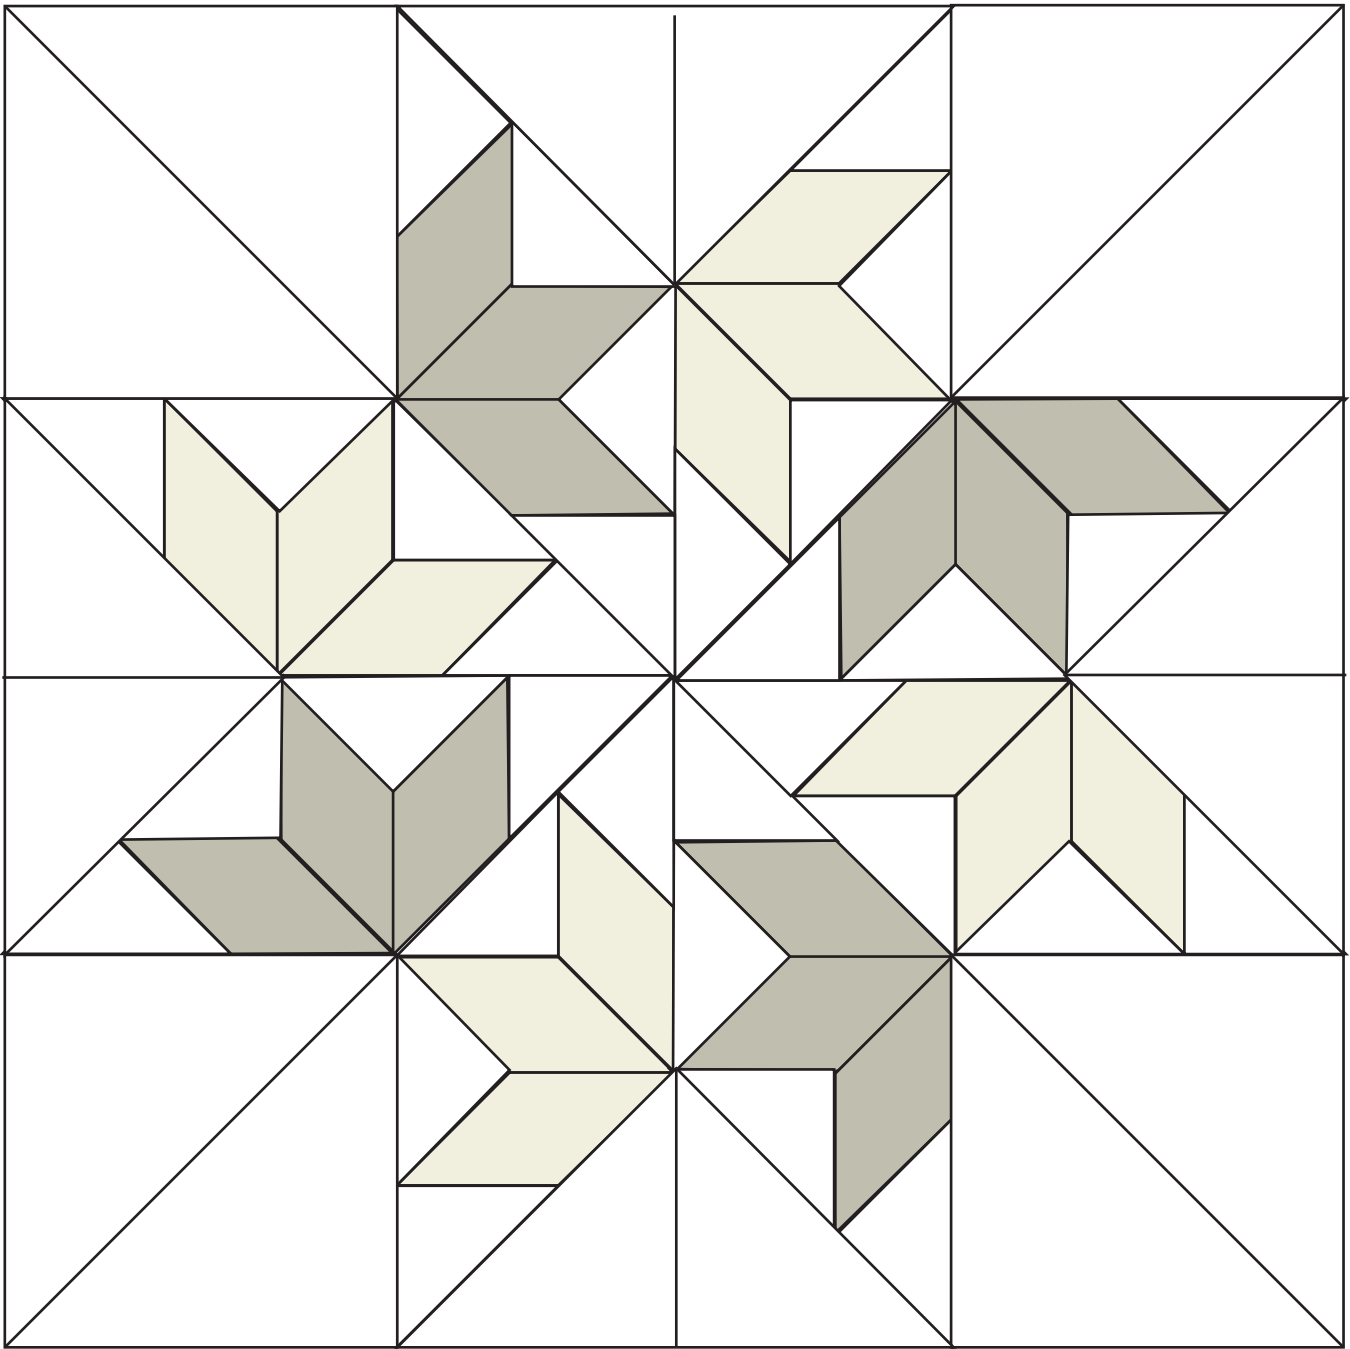

Recreate this vintage quilt using NO templates and your rotary cutter and ruler. 45 degree diamonds and simple half-square triangles swirl around a center as swallows might in the air. No y-seams make this doable for just about any quilter (who can sew with an accurate 1/4" seam). Not for Beginners.

Fabrics:

- 1/2 yard red (or desired color) for outside squares and triangles. Recut into four 6" squares (from a 6" x wof strip) and four 8" squares (from an 8" x wof strip)
- 1/3 yard light print for triangles around the diamonds. Recut four 4" squares (from a 4" x wof strip) and sixteen 3" squares (from a 3" x wof strip AND the remainder of the 4" strip)
- 1/4 yard (NOT a fat quarter) of Color A for the light diamonds. Recut into two 2-1/2" strips
- 1/4 yard (NOT a fat quarter) of Color B for the darker diamonds. Recut into two 2-1/2" strips.
- 1/3 yard for inner border
- 1-1/4 yards for outer border and binding.

Coloring chart on next page. Pattern includes step by step illustrations.

Flying Swallows - 24" Block

Coloring Chart to plan your fabrics

The option of using a second color to feature the center 8 triangles in a pinwheel. These are cut from the 4" squares (4 squares needed)

There are more seams in this quilt than are shown.
There will be NO set-in seams!
