**Unloading a Vehicle:** Vehicles should drive to the rear of the building. Enter off of Satellite Boulevard - see page 7 for map. You will need to print the Load/Unload Pass on page 6 to display in your vehicle to gain access to the rear of the building. Vendors may use the ramp or loading dock. **Booth Staffing:** Please be sure you have requested a name badge via email for everyone you plan to have working in your booth (VIPs, regular staff, spouses, etc.). Your booth must be staffed at all times, and you may want to take special note of the 11:30am – 1:00pm class break, when increased attendee traffic in the Exhibit Hall may boost your need for help.

### **Tax Information: The sales tax rate is 6%**

A tax form from the state can be found:

- On page 8 of this document
- Linked at [sewingexpo.com/Exhibit](http://sewingexpo.com/Exhibit)
- Online: [dor.georgia.gov/fs-32-miscellaneous-events](http://dor.georgia.gov/fs-32-miscellaneous-events)

The form must be mailed back with taxes collected within 3 days of event.

### **Booth Space Requirements:**

Exhibitors should plan their displays with the following guidelines in mind:

- Objects should be placed within confines of the booth space, not in aisles or adjacent booths.
- Exhibitor may display 8' high  $\frac{1}{2}$  the distance to the front of the booth at any time. 8' high displays or walls that extend from the back drape to the aisle must be pre-approved by Show Management. If you have a corner booth, the aisle "wall" is yours to do with as you please up to the 8' height.

- If you plan to run perimeter pipe at the 8' height beyond limits as stated above, you must cover the pipe with fabric or some other display material. Please, *"no naked pipe."*
- Pinning or taping directly to drape or walls is expressly forbidden. You may use fishing line, chain, "s"-hooks, hangers, hula-hoops, etc.
- All tables must be draped on three sides to the floor. The Fire Marshall requires flame-retardant materials for table drape, which you may order along with other furnishings from the official Expo Decorator. In any case, if you have questions about your booth design/décor, please do not hesitate to call us.

### **Moving Out: Saturday 5:01pm –10:00pm**

**Move-out begins after 5:00pm.** No exceptions! This means your booth should be open, fully decorated and ready to do business until 5:00pm. Expo staff will be on the floor to assure all booths are open until the end of the show as published in all consumer promotion.

#### **Loading a Vehicle**

You will be able to drive up to loading area with your vehicle once your booth is packed and ready to go. Your Vehicle ID card will be required when parked in the loading area.

**If You Need Outbound Shipping:** the official Expo Decorator will be on-site to facilitate your outbound shipping needs. If you have questions about these services, please call them directly.

## Another way to gain exposure at the Expo!

Your prizes will be displayed with your booth name and number near the entrance to the Expo. This is great visibility for your products!

Every attendee has a chance to win these fabulous prize packages worth hundreds of dollars! Sewing machines are the super grand prize for each day. The drawing is held at 5:15 Thursday and Friday, and 4:30 on Saturday. Watch for those late afternoon crowds.

Several prizes and sewing machines will be awarded at every Expo! Attendees don't miss this event – it's the climax of their day!

### WHAT TO DO AS AN EXHIBITOR:

Bring up to three prize items (one for each day), which represents the style of your booth, along to the Expo. Just drop them off at Exhibitor check-in any time on set-up day, or with the Prize Patrol coming by your booth between 3:00 - 4:00 on set-up day. We can accept prizes any time at the Registration Desk in the lobby. Don't miss this unique opportunity, since a little goodwill goes a long way with customers. The prize table is the busiest kiosk at the entrance, and customers will look for your booth. It really works!
