

“Love Links” More the Day Before Class

Wednesday, April 22, 2026

Interlocking chevrons make a fun and unique looking quilt. A difficult looking design is made easy using flying geese, making this a quick and easy quilt to master. The Love Links are made by assembling traditional flying geese into Chevron blocks using 2 geese in reverse colors.

Project Sizes:

8 sizes to choose from and all are pre-cut friendly

You choose the size that works for you. You will not make more geese to make your quilt bigger, your geese will just be bigger!

Required Basic Sewing Supplies:

Thread (to coordinate with background fabric)
 Rotary cutter (with a new sharp blade),
 seam ripper & straight pins
 6' x 24" ruler & 6" x 6" ruler (or your preferred rulers for cutting strips & squares)

KIT CONTENTS (supplied on class day):

Love Links pattern
 Wing Clipper I
 Quilters Magic Wand & Frixion Pen
