

Seven Sisters Variation© Quilt by Debby Kratovil

Go for a scrappy version!

Seven Sisters is a vintage block that has been streamlined for easy piecing with NO y-seams. Based on a 60 degree diamond, the addition of colored strips at the edges of the block create an extra design element. With just 6 large blocks (16" x 18") and setting triangles, this 51" x 61" quilt is a perfect lap size!

Materials & Pre-cutting:

1-1/4 yard single background print (my cream & gold)

- Recut into 5 strips 3-1/2" x wof. These are for the small triangles in the stars.

- Recut into 3 strips 8-1/2" x wof for large setting triangles

1/2 yard Color A for star points

- Recut into three 3-1/2" x wof strips (each strip = 6 diamonds)

1/2 yard Color B for star points

- Recut into three 3-1/2" x wof strips (each strip = 6 diamonds)

1/2 yard Color C for strips surrounding stars

- Recut into five 2-1/2" x wof strips (each strip = four units)

1/2 yard Color D for strips surrounding stars

- Recut into five 2-1/2" x wof strips (each strip = four units)

1/3 yard inner border (my green)

1 yard+ for 6" outer border (we address this in class; do NOT precut)

1/2 yard for binding

Kit contains well illustrated pattern and multi-sized 60 degree triangle ruler with blunted tip. If you bring your own, I will refund the cost of the ruler.
