Student's Fabric List

BYOF:

(coordinating prints look amazing)

Please cut and label fabrics **BEFORE** coming to class as follows:

Front Piece (side with pockets)

Will be visible when using this as a mat for your machine

1 piece of Quilter's Cotton, cut to measurements from **C below**.

Large Pocket

1 piece Quilter's Cotton cut to A (width of machine) x 10"

Fold in half wrong sides together and press.

**Folded dimension will be A x 5"

Small Pocket

1 piece Quilter's Cotton cut to A (width of machine) x 6"

Fold in half wrong sides together and press.

**Folded dimension will be A x 3"

Binding for Pockets:

Cut 2 pieces to A below (width of fabric) x 2.5"

Press in half with wrong sides together.

Open up and fold each long raw edge to the center

Front Piece

Pocket Binding

Large & Small Pockets

Student's Fabric List

Backing Fabric

(Visible when used as a cover for your machine)

(no pockets on this side)

1 piece of Quilter's Cotton, cut to measurements from C below.

Binding Around Mat

Calculate $A+A+B+B+10'' = \underline{\hspace{2cm}}''$ x 2.5 wide

The above strips may be cut along the width of fabric.

Sew the short ends of the strips together to make one long continuous piece

Fold lengthwise with the wrong sides together and press.

The finished piece will be the sum above x 1.25''

A) Measure width of machine _____ + 4" =

B) Measure from the table, behind the machine, across the top and down the front of the machine to the table. Take into consideration anything that permanently protrudes UP like spool pins.

_____ + 4" =

C) **Dimensions** of machine: A" x B" (do not multiply)
